#### Product

Petrol Hedge Trimmer - HS 56 C-E  
- 60cm/24"

#### RRP

**\$699.00**  
(incl. GST)

Particularly lightweight hedge trimmer with new master control lever is easy to start and use. With anti-vibration system, tool-less fuel cap and double-sided cutter blades. Ideal for land owners and professional gardeners.

#### Technical Details

Blade Length mm	600
Displacement cm³	21.4
Weight kg <sup>1)</sup>	4.5
Tooth spacing mm	34
Tank volume ml	280

<sup>1)</sup> Without fuel, complete

#### Features

## Standard

#### STIHL 2-MIX-Motor

Der speziell für die neue Heckenschereengeneration konstruierte STIHL 2-Mix-Motor vereint niedrige Emissions- und Verbrauchswerte mit geringem Gewicht und ausgezeichneten Beschleunigungswerten. Auch für den Schnitt von dickeren Gehölzen stehen jederzeit ausreichend Leistungsreserven zur Verfügung.

#### STIHL Anti-vibration system

Precisely calculated spring elements dampen down vibrations from the engine to a minimum, reducing fatigue. Image shows HS 81.

#### Double-sided blade

Dual ground blade system provides a clean cut. Excellent for cutting stronger, thicker branches.

---

### Electronic ignition module

This ensures reliable starting and trouble-free running. The ignition system is fully encapsulated and thus proof against damp and dirt.

---

### Manual fuel pump (Purger)

A small fuel pump delivers fuel to the carburettor at the touch of a button. This reduces the number of starting strokes required from a cold start.

---

## Accessories

### SuperClean Resin Solvent - 300ml

Cleans and lubricates in one. The graphite and lubricating mineral oil based cleaner is ideal for cleaning cutting attachments, hedge trimmer blades and chainsaws. Specially designed for stopping resin gluing to blades and to protect against rust. Application: spray the cutting tools after each use.

---

#### **Protective Pants - HS Multi Protect - M**

World first protection. These innovative Multi Protect pants can protect in 3 ways. When using with a hedge trimmer, simply insert the HS Protection pads to protect against blade cuts - a world first in patent pending pinch resistant design technology. When used with a brush cutter, the FS protection insert pads protect against flying debris; and the knee pad inserts make for comfortable work whilst on the ground. All the inserts are sold separately so you can customise to your application, making it ideal, multi purpose protection for professional landscapers, contractors, government departments and homeowners.
